FESTIVE SEASON 2021/2022

THE
NAUTILUS
BEACH & OCEAN HOUSES
MALDIVES

Dear Nautilus guest,

We are so looking forward to welcoming you to The Nautilus for the 2021 festive season. Since 2021 was such a challenging year for all of us, this year's festive programme needed to be a truly holistic one that fosters togetherness and real connections and, of course, with all of our guests' preferences in mind.

From festive-themed face painting for our little islanders to coral adoption sessions with our resident marine biologist for the entire family, to a Tropical Concoctions Masterclass for our adult guests, there truly is something for everyone. In true Nautilus style, your personal House Master will, of course, tailor any of these experiences exactly to your preferences.

If I can be of any assistance to you whatsoever, please do not hesitate for one moment to contact me. Together with the entire Nautilus team we are looking forward to a truly sensational festive period at The Nautilus.

My warmest regards and wishes,

Mohamed Ashraf
General Manager
