These blissful experiences are enhanced by some of the finest products in the world—VOYA, Subtle Energies and Terres D'Afrique. Yoga and meditation are incorporated into our packages to ensure renewed balance of mind, body and soul.

PICNIC, FUN & GAMES

Leave the ordinary behind and embrace a day spent on our private island Jehunuhura, with a sumptuous beachside BBQ Picnic, drinks, games and exciting activities. Our team will make sure your culinary needs are well taken care of and will help you to have an exceptional day at the beach.

SUNSET FISHING

Take in the splendour of the Maldives at sunset on a once-in-a-lifetime fishing excursion like no other. What's more, we can expertly prepare your fresh catch to your liking (for a nominal fee) for lunch or dinner the following day. Beverages and snacks are served on board. Our Sunset Fishing trip takes place on specific days from 18.30 to 20.30.
