

SNORKELLING & EXCURSIONS

LTI Maafushivaru features regular activities all year long including a full range of snorkelling adventures and excursions. These are two of the best ways to discover the Maldives.

SNORKELLING TRIPS

The Maldives is famous for its underwater beauty with pristine corals, colourful reef fish and impressive pelagic creatures. LTI Maafushivaru is fortunate to be located just a few minutes away from some of the best diving and snorkelling sites of South Ari Atoll. We offer daily trips to a selection of great snorkelling sites. Many of our trips are guided by our Marine Biologist. Nevertheless, sightings of specific marine life species such as turtles, mantas or whale sharks always requires an element of luck so unfortunately, there is never a guarantee that these beautiful marine life species will turn up at any given time. To find out which snorkeling trips are available during your stay or to book, please contact the Vilu Water Sports Centre. Please book your desired trip at least 24 hours in advance.
