

SUITES & VILLAS

Heaven on earth, this two-story villa offers the most private, stunning views of the Mediterranean Sea and with the ultimate in luxury, the two spacious floors, fall nothing short of a secluded castle. An exceptional structure created to provide the absolute best, it consists of four bedrooms, four bathrooms, a kitchenette, two living rooms, two outdoor heated pools and a plethora of dining areas situated both indoors and outdoors to satisfy every whim. Decorated with opulence and exquisite style, the bedrooms are set with designer duvets and spacious walk-in closets, while the bathrooms are extremely eloquent, made by the finest Italian marble and offering every amenity imaginable from hydro-massage bathtubs to double jet showers and vanities. Living rooms are the perfect area to sink into and luxuriate, where sumptuous designer sofas are specifically situated to afford the pleasure of unmatched sunset views. If you so desire, you may also escape in the abundance of Bang & Olufsen state-of-the-art technology and Bose Wi-Fi music system. Prepare for a stunning dinner setting by the lower level pool with Saarinen dining table and chairs, or if you prefer to be spontaneous, revel in the luxury of a starlit sky while relaxing on the numerous outdoor Persian rugs and lavish Fendi pillows. Ascend the sweeping staircase to the upper level pool area, overlaid by countless rows of vine for shade and find yourself one step closer
