

SUITES & VILLAS

A veritable mansion on the Mediterranean, this two-story villa is unparalleled in sheer size and luxury and provides for every possible amenity with four bedrooms, four bathrooms and a kitchenette. The living room's splendid appointments include a marble fireplace, Saarinen dining table and chairs, plus state-of-the-art Bang & Olufsen technology, including a TV with DVD player, Bose Wi-Fi music system and wireless phone. Bedrooms feature generous walk-in closets and bathrooms include hydro-massage tub, double vanity, and separate showers. The terraces are equally spacious and luxurious, spanning the entire villa and reaching out over the sea. The upper level terrace has a heated infinity pool, dining area for six lit by mosaic lanterns, plush sofas, antique canopy bed and outdoor fireplace, all of which can be enclosed with sliding-glass panels to create more indoor living space when desired. Down a sweeping staircase to the lower level terrace, which juts out over the sea, there is additional seating as well as dining areas and gardens.
