Tea & Coffee

Our Tea

We are proud to be the first resort in the Maldives which is exclusively offering Mariage Frères Tea's.

Mariage Frères is a French gourmet tea company, based in Paris. It was founded in 1854 by brothers Henri and Edouard Mariage.

Earl Grey French Blue - Silky Black Tea - Paris 14

Graceful and sophisticated, this classic blend reinvents itself by pairing the fruity, zesty and lightly peppery notes of refined bergamot with the sweet-scented hint of cornflower. Balanced and full of body with ample and lasting flavour, the liquor floods the palate with its charm and majesty.

Pai Mu Tan Imperial - White Tea - China 14

This fabulous 'Imperial White Peony', from Fuding County in Fujian Province, is nobility itself. Its fine, jade leaves have a high proportion of silver-needle tips, or Yin Zhen. The flowery, crystalline liquor of Pai Mu Tan has a lively aroma and smooth taste. A fabulous afternoon tea.

Lung Ching Imperial - Green Tea - China 14

Meadow green in color; lively and direct with mild grassy and floral overtones conveying all the sparkle of early spring flowers; long in the mouth yet not astringent, well-balanced, with an extremely refined, silky after-taste. A sensual spring!

Snow Blossom - Green Tea - China 14

This grand masterpiece from the lush province of Yunnan comes from a secret garden revealed today, for the very first time, by Mariage Frères. These tea plants of exceptional quality benefit from a nurturing Terroir of infinite richness. Each harvest is a treasure, the fruit of centuries-old expertise from a family of tea planters whose gardens lay nestled in the heart of ancient mountains. Clear yellow topaz. An enveloping sensation like velvet is accentuated by its distinguished aromatic persistence. A veil of precious incense and sweet amber blend into a gourmet accord of apricot and praline. The genesis of green tea

White Himalaya - White Tea - Organic Garden - Nepal 14

A unique masterpiece. This extremely rare white tea is composed solely of the most precious buds. Its limpid cup is particularly frank: an initial note of wild orchids is followed by intensely fresh flavors similar to mandarin orange; this floral combination fills the palate to produce a most original impression of gentle yet sparkling contrasts. An enchanting white tea.
